

7 Basic, Initial Tips to Help You Decide Where to Move in One Year

Decide on a housing budget based on the least amount of money you can afford

Get a map and narrow down the area of the country where you think you want to live.

Narrow that area to 100 square miles

Take a look at amenities in each town and how much they align with your interests

Explore areas of 3 towns that fit into your housing budget and interests

Visit the top 3 choice towns once every quarter to understand it's seasons

Choose one town
